At least join our basketball club.

I'm a second-year student at the Fujigatake Academy.

MATCHES

The Fifty-second Fujigatake Academy Baseball Tournament

My name is Ayafuji Sara.

whoosh

Iris and I have a secret.

Iris is the student council president. She's good at sports and studies—she's perfect.

Compared to her, I'm just a dull, ordinary student.

Chose volleyball.

Ayafuji-san!?

Buwoah—

Our secret...

I'll see you later after you've won, then.
Hihi, I wonder if it'll be that easy for you.
I have some time to spare, so I'll join the organizers.
Alright, we'll be winning our game while you're away.
shiver

Hey, somebody call a teacher!
Some-one col-lapsed!
May-be she had sun-stroke or heat-stroke.
Eh?
Eh? What?
tremble
Kazari-senpai!!

She's beautiful, good at sports and studies, and on top of that, she's the student council president.
She's idolized by many people.
You wouldn't expect someone like *her* to have ties with someone like *me*.
That day,

we learned that she has a secret.

Erm... I... I came... I came to see how Kazari is doing...
Blushing profusely
Hm, aren't you one year below her?
Whue!? Ah... ah... I...

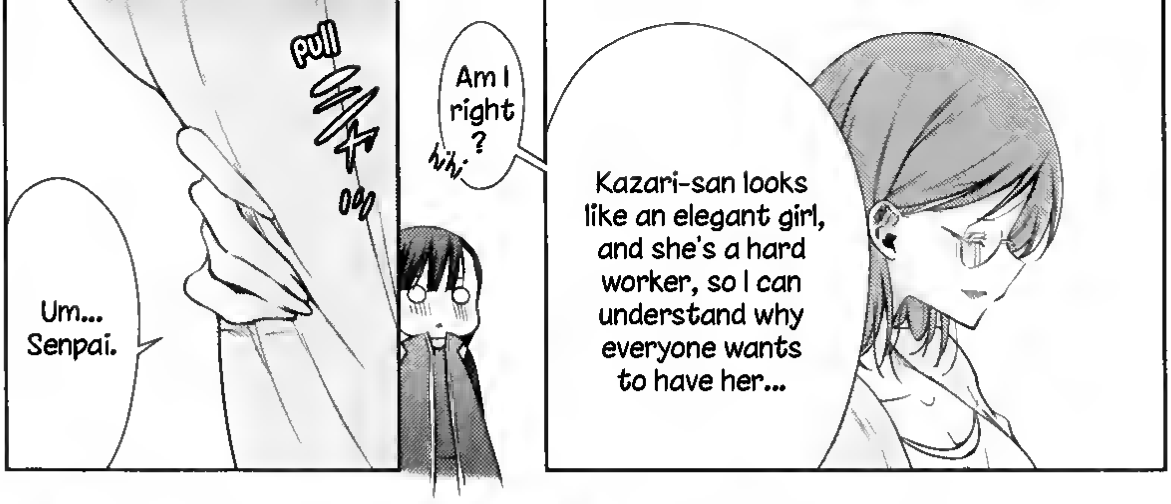
...Oh, you must be Ayafuji-san, the second year.
smile
Fhwhat!?
Tone-sensei told me that a student council member would come by to check up on her, and only she can come in.
You know, Kazari-san has a lot of fans, so I can't let just anyone through.
Kya- Senpai!
It's difficult being that popular in this Academy.
...



pull
Um... Senpai.
Am I right ?
hihi
Kazari-san looks like an elegant girl, and she's a hard worker, so I can understand why everyone wants to have her...

Hya
You- You're awake!?
I just woke up...
From your presence...

Don't just stand there staring at me!

So... Why are you here?
Awa...
I... I heard that you collapsed ...
and that...
you spent the whole morning outside, exposed to sunlight with the organizers, so...
I...
(whisper) I was wondering if doing it would be okay.
Ah, you know...
It's just that ...
You see...
Does that mean ...
you were worried about me?
Huh !?
shock

Poke
Then,
are you going to let me suck your blood?
The secret
is the fact that
!!
In here!?
I can feel her breath on my ears...
she is a vam-pire.

I wondered if I was going to turn into a vampire, but apparently that's not what happens.
But there's one "limitation":

That day, my blood was sucked by her.

if she doesn't suck my blood at least once a day,
we'll both get withdrawal symptoms.

Well then,
you'll just have to keep your voice down, won't you now?
!
Or could it be that... you can't hold it back...?
N-
I didn't come here for this...!
Why did you come here, then?

Senpai

may be beautiful, good at sports and studies, the student council president,

and basically perfect,

but

when it comes to me, she's a bit insenitive and proud.

Also,

only I know this, but

I'll never oppose Senpai.

Then that would mean it's the girl that just entered?

What happened?

My Senpai is a proud vampire.

The End

I'm Takano Saku. Thank you for reading this.

This a vampire yuri work, and it's currently being published in Dengeki G's Comic (I'm pouring all my strength into it). I wanted the serialization to happen, so if I don't release a doujinshi I'll...!! By the way, is this a doujinshi(?)

This is vampire yuri, yes, vampire yuri.
You read it right, vampire yuri.
I hope the serialization continues,
I want to draw so many stories...
This manga contains what the title says,
but it's not all about kissing and sucking.
I want to dig into the psychological aspect too,
so please continue to read.

You can read the first chapter of the serialized work for free on Comic Walker.
I'd be glad if you read it over there as well.
Thank you for reading~!
